

**Workshop on
Nonlinear Partial Differential Equations
– Japan-China Joint Project for Young Mathematicians
2013**

October 25-27, 2013

Venue: Room 101, Building 21, Fukakusa Campus, Ryukoku University
<http://www.ryukoku.ac.jp/english2/about/access/fukakusa.html>

Program

October 25 (Friday)

9:25 – 9:30 **Opening**

9:30 – 10:10 **Baojun Bian** (Tongji University)

Convexity for solution of partial differential equation and applications

10:15 – 10:55 **Yasuhito Miyamoto** (University of Tokyo)

Structure of the positive radial solutions for a supercritical Neumann problem in a ball

11:00 – 11:15 **Break**

11:15 – 11:55 **Xiangao Liu** (Fudan University)

Problem and development for the flow of compressible liquid crystals system

12:00 – 12:40 **Kanako Suzuki** (Ibaraki University)

Instability and blowup phenomena induced by diffusion in a model of pattern formation

12:45 – 14:15 **Lunch**

14:15 – 14:55 **Youshan Tao** (Donghua University)

On a chemotaxis-Stokes model

15:00 – 15:40 **Toru Kan** (Tokyo Institute of Technology)

On the structure of solutions to the Liouville equation in non-simply connected domains

15:45 – 16:00 **Break**

16:00 – 16:40 **Jun Chen** (Fujian Agriculture and Forestry University)
Quasilinear systems involving operator curl

16:45 – 17:25 **Tomoyuki Miyaji** (Kyoto University)
Steady-state mode interactions in the Lugiato-Lefever equation

19:00 – 21:00 **Party**

October 26 (Saturday)

9:20 – 10:00 **Kyoko Tomoeda** (Setsunan University)
Optimal Korn ' s inequality for solenoidal vector fields on
a periodic slab with some applications

10:05 – 10:45 **Xiaoping Yang** (Nanjing University of Science and Technology)
Nodal and singular sets for solutions to some elliptic equations

10:50 – 11:05 **Break**

11:05 – 11:45 **Masashi Mizuno** (Nihon University)
Boundary behavior of the singular limit of the Allen-Cahn
equation on convex domains

11:50 – 12:30 **Feng Zhou** (East China Normal University)
Symmetry results for entire solutions of a bi-harmonic equation

12:35 – 12:40 **Closing**

14:00 – **Free discussions**

October 27 (Sunday)

Free discussions

This workshop is sponsored by Joint Research Center for Science and Technology of Ryukoku University. It is also supported in part by JSPS KAKENHI Grant Numbers 22340022, 24654044.
